

Highlights from Fiscal Year 2023-2024

HRDC alleviates hunger through our food and nutrition programs, including the Gallatin Valley Food Bank. We know nutrition is vital for everyone in our community and we act as the crucial link between food and the people who need it.

We distributed **1,720,251** total pounds of food.

We distributed **7,258** pounds of food every day on average.

We provided **19,897** food boxes*, a **13% increase** from the previous year.

We served **11,615** individuals.

There was a **46% increase** in households using the food bank for the first time.

Volunteers donated **14,870** hours of their time to support our services.

We provided **2,827** Senior Groceries.

We distributed **22,652** weekly Healthy KidsPacks to school-age children

We served **33,534** free Summer Lunch meals to kids during summer break.**

We rescued **932,316** pounds from local grocery stores, farms, and other businesses.
